

## In April, Covid test positivity rate peaked to 16% in Ahmedabad city

ICMR guidelines, recommendations of a Central team to maintain TPR of less than 5% 'ignored'

**RITU SHARMA & SOHINI GHOSH**  
AHMEDABAD, APRIL 27

THE TEST positivity rate (TPR) has been spiralling above 22 per cent in Ahmedabad city since March last year, data accessed and analysed by *The Indian Express* has found. This is despite the Indian Council of Medical Research's (ICMR) direction to maintain TPR – percentage of tested people turning out to be positive for Covid-19 infection – below five per cent by "testing, tracking and treating" as it was the only proven strategy to control the transmission of the disease.

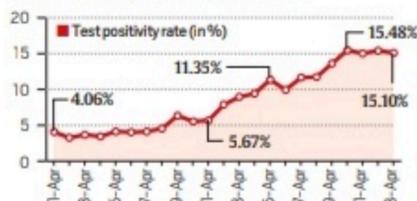

The monthly TPR in the city, analysis of testing data maintained by AMC shows, had never dipped below five per cent between March 2020 and January this year. And the rate was the highest in June and July last year – above 22 and 21 per cent respectively.

Daily TPR for April this year, when the city witnessed a sharp surge in infection cases, showed a peak, touching almost 16 per cent on April 26. While the TPR has been recorded above five per cent since April 9, the number has been increasing by about two percentage points per day since April 16 when it was reported at 9.9 per cent and reached nearly 16 per cent just 10 days later.

Of the total 20,445 Covid-19 tests – both RT-PCR and RAT – conducted across Ahmedabad city, 1,296 people had turned positive on April 9. This jumped to 2,631 positive cases on April 15 when 23,177 RT-PCRs and RATs were conducted in the city.

### DAY-WISE TEST POSITIVITY RATE

Percentage of total new Covid-19 cases daily divided by total daily samples tested in AMC areas

Data: As submitted by the state government in an affidavit dated April 26 to Gujarat High Court

On Tuesday, Ahmedabad city had 48,072 active cases. It had added 5,619 fresh cases till late Monday. "The positivity rate for Ahmedabad city is much higher than what is being shown in the government data. The daily hospitalisation rate is merely one of the reflections to this," Dr Mukesh Maheshwari, co-ordinator Indian Medical Association (IMA) Gujarat branch said. Dr Maheshwari was also the vice-president of Ahmedabad Association of Pathology and Microbiology for two years before it was dissolved into Gujarat Association of Pathologists and Microbiologists.

### Recommendations 'overlooked'

A letter to Gujarat Chief Secretary Anil Mukim, dated March 20, 2021, by the Secretary Department of Health and Family Welfare, Gol, Rajesh Bhushan, fol-

lowing a visit of high-level multi-disciplinary central government team to Ahmedabad Municipal Corporation and Vadodara Municipal Corporation areas had recommended the state to ensure an increase in testing (as per ICMR guidance) and to couple with a low confirmation percentage of less than 5 per cent by imposing severe restrictions.

In a separate communication, dated March 19, Bhushan had informed Gujarat Chief Secretary Anil Mukim: "The state needs to ensure that an increase in testing (as per ICMR guidance) should be coupled with a low confirmation percentage of less than five per cent. Further, maintaining the ratio of RT-PCR vis-a-vis (rapid) antigen test to 70:30 is the key. Hence, the proportion of RT-PCR tests need to be significantly increased."

The central government team, after assessing the ground situation in the cities of Ahmedabad

The city has 48,072 active cases Tuesday, Nirmal Harindran

and Vadodara, had also briefed Gujarat Principal Secretary (Health) Jayanti Ravi and Health Commissioner Jai Prakash Shivhare on their observations.

In a letter to Jayanti Ravi, dated March 30, Bhushan had reiterated "the state should aim at achieving test positivity rate below five per cent in each district duly focusing on increasing number of tests". He specifically referred to the four districts of Ahmedabad, Surat, Vadodara and Rajkot as "among 46 districts of concern" where the state's case load was as high as 77 per cent. Ninety-seven per cent deaths, the letter said, was also being reported from these four districts. The communication also stressed on maintaining at least 70 per cent RT-PCR tests.

An ICMR directive for 70:30 ratio of RT-PCRs and RATs also has not been maintained in Ahmedabad city, despite repeated communications from the Union health ministry. As per the state government's own data, on April

10 the city conducted a total of 25,452 tests, of which only 8,797 (or 34.5 per cent) were RT-PCR and the remaining 16,655 were RAT. Just a day ago, the city had recorded 9,103 RT-PCR tests.

Only on two days April 16 and 12, the city maintained an RT-PCR test ratio of 59 per cent. Despite repeated warnings, the RT-PCR ratio maintained by AMC remained around 52 per cent on April 23.

### TPR in state above 9%

The daily TPR in Gujarat has been on the rise. While on April 22 the TPR stood at around seven per cent, on April 25, when the state reported 14,296 new cases and tested 1.68 lakh samples, the overall daily TPR stood at 8.5 per cent. On April 26, when the state reported 14,340 cases and tested 1.59 lakh samples, the TPR stood at over nine per cent. The state's share of RT-PCR tests has remained less than 40 per cent of the total 1.60 lakh odd tests it conducts each day.

### Man scolded for being unemployed, strangles father to death; held

**EXPRESS NEWS SERVICE**  
AHMEDABAD, APRIL 27

A 22-YEAR-OLD man was arrested in Ahmedabad's Meghanagar area Tuesday for allegedly strangling his 65-year-old bed-ridden father to death, police said.

According to the police, Anil Patni, a resident of Shanti Sagar society in Meghanagar, strangled Lakshman (65) to death allegedly in a fit of rage after the latter chided him for being unemployed.

A police complaint submitted by Lakshman's elder son Ajay said around 9 pm on Sunday, Lakshman had scolded Anil for not contributing to the family's earnings. The next morning, the complainant said, Lakshman was found unconscious in his bed. He was declared dead when the family rushed him to a hospital.

A post-mortem later revealed the cause of death to be asphyxiation due to pressure on neck, police said. "After the post mortem report came Monday evening, we started questioning the family members who told us that the father had a fight with his youngest son, Anil. During interrogation, Anil told us that around 12.30 am on Monday night, when he was sleeping on the floor, his father allegedly hit him by throwing a blunt object at his face and scolding him for being unemployed. Enraged, Anil strangled his father to death. He has been arrested today," an investigating officer said.

Anil has been booked under IPC 302 for murder, the police officer added.

The Surat Municipal Corporation (SMC) health department has kept 44,130 people in home isolation and has been keeping a tab on them through mobile tracker as well as by conducting surprise checks at their homes.

During one such checks by Katargam zone officials, the 55-year-old diamond trader was found missing from his residence at Krishna Residential Society at Amba Talavdi in Katargam on Monday evening.

The trader tested positive for Covid-19 on April 20 along with his wife and sister. However, when officials reached their residence, he was not present at home and his wife and sister did not reveal details to the teams.

He has been booked under IPC sections 188 and 270 as well as the Epidemic Disease Act.

On Monday, 1,452 Covid patients were admitted in private and government hospitals in Surat city that reported 23 deaths. With the recovery rate of 77.43 per cent, 1,369 patients were discharged from government and private hospitals on Monday.

## CM inaugurates 250-bed Covid hospital at Hazira steel plant

**EXPRESS NEWS SERVICE**  
SURAT, APRIL 27

GUJARAT CHIEF Minister Vijay Rupani on Tuesday virtually inaugurated a 250-bed Covid hospital set up by ArcelorMittal and Nippon steel (AM/NS) in their plant at Hazira in Surat.

Inaugurating the facility via video-conference, Rupani said, "The state government has increased the number of oxygen beds for Covid patients to 92,000 from 41,000. In the present situation, it is necessary that the hospitals should have an oxygen supply line. The company has set up the hospital near an oxygen plant. We appreciate and welcome the step taken by the AM/NS..."

The company has also been supplying 185 MT liquid oxygen to various hospitals in the state, for which it has partnered with INOX air liquid products.

The firm's India CEO Dilip Oommen said that the hospital's capacity will be increased to 1,000 beds soon. Oommen said, "Our company is always ready to support the state and central governments. Our Hazira plant is a gas-based plant and we cannot transport this oxygen... So we set up a temporary hospital nearby the steel plant where there will be sufficient supply of oxygen."

Addressing the function virtually from Kazakhstan, ArcelorMittal executive chairman Laxmi Mittal said, "Prime Minister Narendra Modi had called a meeting of industrialists and sought help in the fight against coronavirus... We are committed to work shoulder-to-shoulder with the state government and corona warriors."

Surat district development officer Hitesh Koya said, "We have deployed three medical officers, six nurses, one store keeper and one lab technician at the hospital. Depending on the number of patients, we will increase the staff strength."

12.7 In order to ensure that the same Eligible Shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common permanent account number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the name of joint shareholders are identical. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of Institutional Investors the mutual funds, pension funds/trusts and insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback (defined below) as per the shareholder records received from the depositories.

12.8 The Eligible Shareholders participation in Buyback is voluntary. The Eligible Shareholders can choose to participate, in part or in full, and get cash in lieu of Equity Shares accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.

12.9 The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e., not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. On account of ignoring the fractional entitlement, those Small Shareholders whose entitlement would be zero Equity Shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

12.10 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedures laid down in the SEBI Buyback Regulations.

12.11 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on Record Date and the Company shall comply with the SEBI circular no. SEBI/CIR/CFD/DCR1/CIR/P/2020/83 on "Relaxations relating to procedural matters - Takeovers and Buy-back" dated May 14, 2020, read with SEBI Circular No. SEBI/HO/CFD/DCR2/CIR/P/2020/139 dated July 27, 2020, as applicable.

13. PROCESS AND METHODOLOGY TO BE ADOPTED FOR THE BUYBACK

13.1 The Buyback is open to all eligible shareholders, i.e., the shareholders who on the Record Date were holding Equity Shares either in physical form ("Physical Shares") and the beneficial owners who on the Record Date were holding Equity Shares in the dematerialized form ("Demat Shares") (such shareholders are referred as the "Eligible Shareholders"). Additionally, the Buyback shall, subject to applicable laws, be facilitated by tendering of Equity Shares by the shareholders and settlement of the same, through the stock exchange mechanism as specified in the SEBI Circulars.

13.2 The Buyback will be implemented using the "Mechanism for acquisition of shares through Stock Exchange" issued by SEBI vide circular no. CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015, circular no. CFD/DCR2/CIR/P/2016/131 dated December 9, 2016 and circular bearing number SEBI/HO/CFD/DIL1/CIR/P/2018/011 dated January 19, 2018 and in accordance with the procedure prescribed in the Companies Act and the SEBI Buyback Regulations, and as may be determined by the Board of Directors, or the Buyback Committee (a committee authorized by the Board to exercise its powers in relation to the Buyback, the "Buyback Committee"), on such terms and conditions as may be permitted by law from time to time.

13.3 For the implementation of the Buyback, the Company has appointed (i) as the registered broker ("Company's Broker") through whom the purchases and settlements on account of the Buyback would be made by the Company.

13.4 The Company will request NSE, being the exclusively designated stock exchange, to provide a separate acquisition window ("Acquisition Window") to facilitate placing of sell orders by Eligible Shareholders who wish to tender Equity Shares in the Buyback. The details of the Acquisition Window will be specified by NSE from time to time. In the event the Stock Broker of any Eligible Shareholder is not registered with NSE as a trading member / stock broker, then that Eligible Shareholder can approach the Company Broker or any other NSE registered stock broker and can register himself by using quick unique client code (UCC) facility through that NSE registered stock broker (after submitting all details as may be required by such NSE registered stock broker in compliance with applicable law).

13.6 During the tendering period, the order for selling the Equity Shares will be placed in the Acquisition Window by the Eligible Shareholders through their respective stock brokers ("Shareholder Broker") during normal trading hours of the secondary market. The Shareholder Broker can enter orders for Demat Shares as well as Physical Shares. In the tendering process, the Company's Broker may also process the orders received from the Eligible Shareholders.

13.7 The reporting requirements for Non-Resident Shareholders under the Foreign Exchange Management Act, 1999 and any other rules, regulations, guidelines, for remittance of funds, shall be made by the Eligible Shareholder and/or the Shareholder Broker through which the Eligible Shareholder places the bid.

13.8 Modification/cancellation of orders and multiple bids from a single Eligible Shareholder will be allowed during the tendering period of the Buyback. Multiple bids made by a single Eligible Shareholder for selling

Equity Shares shall be clubbed and considered as "one bid" for the purposes of acceptance.

13.9 The cumulative quantity tendered shall be made available on the website of NSE (www.nseindia.com) throughout the trading session and will be updated at specific intervals during the tendering period

13.10 Procedure to be followed by shareholders holding Demat Shares:

a) Eligible Shareholders who desire to tender their Equity Shares held by them in dematerialised form under the Buyback would have to do so through their respective Seller Member by indicating the details of Equity Shares they intend to tender under the Buyback, to their Seller Member.

b) The Seller Member would be required to place an order/bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buyback using the Acquisition Window of NSE. Before placing the order/bid, the Eligible Shareholder would be required to transfer the tendered Equity Shares to the special account of the Indian Clearing Corporation Limited ("Clearing Corporation") by using the early pay-in mechanism as prescribed by NSE and the Clearing Corporation prior to placing the bid by the Seller Member.

c) The details of the special account of the Clearing Corporation and the settlement number shall be informed in the issue opening circular that will be issued by NSE / Clearing Corporation. For custodian participant orders for dematerialised Equity Shares, early pay-in is mandatory prior to confirmation of order/bid by custodian participant. The custodian participant shall either confirm or reject the orders no later than the closing of trading hours on the last day of the tendering period. Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed custodian participant orders, order modification shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.

d) Upon placing the bid, the Seller Member shall provide a Transaction Registration Site ("TRS") generated by the exchange bidding system to the Eligible Shareholder. The TRS will contain the details of order submitted such as bid ID number, application number, DP ID, client ID, number of Equity Shares tendered, etc.

f) In case of non-receipt of the completed tender form and other documents, but receipt of Equity Shares in the accounts of the Clearing Corporation and a valid bid in the exchange bidding system, the bid by such Equity Shareholder shall be deemed to have been accepted.

13.11 Procedure to be followed by the shareholders holding Physical Shares

a) In accordance with the SEBI circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/144 dated July 31, 2020; the physical shareholders are allowed to tender their shares in the Buyback. However, such tendering shall be as per the provisions of the SEBI Buyback Regulations.

b) Eligible Shareholders who are holding physical Equity Shares and intend to participate in the Buyback will be required to approach their respective Shareholder Broker along with the complete set of documents for verification procedures to be carried out before placement of the bid. Such documents will include the (i) Tender Form duly signed by all Eligible Shareholders (in case shares are in joint names, in the same order in which they hold the shares), (ii) original share certificate(s), (iii) valid share transfer form(s)/Form SH-4 duly filed and signed by the transferors (i.e. by all registered Shareholders in same order and as per the specimen signatures registered with the Company) and duly witnessed at the appropriate place authorizing the transfer in favour of the Company, (iv) self-attested copy of PAN Card(s) of all Eligible Shareholders, (v) any other relevant documents such as power of attorney, corporate authorization (including board resolution/specimen signature), notarized copy of death certificate and succession certificate or probated will, if the original shareholder is deceased, etc., as applicable. c) Based on these documents, the concerned Shareholder Broker shall place an order/bid on behalf of the Eligible Shareholders holding Equity Shares in physical form who wish to tender Equity Shares in the Buyback, using the Acquisition Window of NSE. Upon placing the bid, the Shareholder Broker shall provide a TRS generated by the exchange bidding system to the Eligible Shareholder. TRS will contain the details of order submitted like folo no., certificate no., distinctive no., no. of Equity Shares tendered etc.

d) Any Shareholder Broker/Eligible Shareholder who places a bid for physical Equity Shares, is required to deliver the original share certificate(s) & documents (as mentioned above) along with TRS generated by exchange bidding system upon placing of bid, either by registered post, speed post or courier or hand delivery to the Registrar to the Buyback i.e. Link Intime India Private Limited (at the address mentioned at paragraph 10 below) not later than 2 (two) days from the offer closing date. The envelope should be super scribed as "InfoBeans Technologies Limited Buyback 2021". One copy of the TRS will be retained by Registrar to the Buyback and it will provide acknowledgement of the same to the Shareholder Broker in case of hand delivery.

e) The Eligible Shareholders holding physical Equity Shares should note that physical Equity Shares will not be accepted unless the complete set of documents are submitted. Acceptance of the physical Equity Shares for Buyback by the Company shall be subject to verification as per the SEBI Buyback Regulations and any further directions issued in this regard. The Registrar to the Buyback will verify such bids based on the documents submitted on a daily basis and till such verification, NSE shall display such bids as "unconfirmed physical bids". Once Registrar to the Buyback confirms the bids, they will be treated as "confirmed bids".

f) In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialisation, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialised is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.

Upon finalization of the basis of acceptance as per SEBI Buyback Regulations:

a) The Company will transfer the funds pertaining to the Buyback to the Company's Broker bank account, who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank account as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Equity Shareholders will receive funds pay-out in their bank account from the Clearing Corporation.

b) The Equity Shares bought back in the demat form would be transferred directly to the escrow account of the Company (the "Demat Escrow Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Demat Escrow Account on receipt of the Equity Shares from the clearing and settlement mechanism of the NSE.

c) The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unlocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance.

d) If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the Shareholder Broker's depository pool account for onward transfer to the Shareholder. Excess Demat Shares or unaccepted Demat Shares, if any, tendered by the Eligible Shareholders would be returned to them by Indian Clearing Corporation Limited ("ICCL"). In case of custodian participant orders, excess Demat Shares or unaccepted Demat Shares, if any, will be returned to the respective custodian participant. Any excess Physical Shares pursuant to proportionate acceptance/injection will be returned back to the concerned Eligible Shareholders directly by the Registrar to the Buyback. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Physical Shares, in case the Physical Shares accepted by the Company are less than the Physical Shares tendered by the shareholder in the Buyback.

e) In case of certain shareholders viz., NRIs, non-residents etc. (where there are specific regulatory requirements pertaining to funds payout including those prescribed by the RBI) who do not opt to settle through custodians, the funds payout would be given to their respective Shareholder Broker's settlement accounts for releasing the same to such shareholder's account.

f) The settlements of fund obligation for Demat Shares and Physical Shares shall be affected as per the SEBI circulars and as prescribed by NSE and ICCL from time to time. For Demat Shares accepted under the Buyback, such beneficial owners will receive funds payout in their bank account as provided by the depository system directly to the ICCL, and in case of Physical Shares, the ICCL will release the funds to the Shareholder Broker(s) as per secondary market payout mechanism. If such shareholder's bank account details are not available or if the funds transfer instruction is rejected by the Reserve Bank of India ("RBI"/banks), due to any reasons, then the amount payable to the concerned shareholders will be transferred to the Shareholder Broker for onward transfer to such shareholders.

The Buyback consideration received by the selling Shareholders, in respect of accepted Equity Shares, could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the selling Eligible Shareholders.

i) The Equity Shares bought will be edged in the manner and following the procedure prescribed in the Buyback Regulations.
