

**Adani Tracks Management
Services Private Limited**

**Financial Statements for the
FY - 2022-23**

Independent Auditor's Report

To the Members of Adani Tracks Management Services Limited

Report on the audit of the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of **Adani Tracks Management Services Limited (Formerly known as Sarguja Rail Corridor Private Limited)** ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 46 (b) of the accompanying financial results, regarding the ongoing investigations of Securities and Exchange Board of India and the committee constituted by Hon'ble Supreme Court in respect of the matters more fully described in aforesaid note.

Our opinion is not modified in respect of this matter.

Other Information

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report To the Members of Adani Tracks Management Services Limited

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditor's Report

To the Members of Adani Tracks Management Services Limited

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, the Statement Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B';

**Independent Auditor's Report
To the Members of Adani Tracks Management Services Limited**

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- A. The Company does not have any pending litigations which would impact its financial position;
- B. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- C. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- D. (i) The management of the company has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) The management of the company has represented that, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- E. The company has not declared or paid any dividend during the year.
- F. The Ministry of Corporate Affairs (MCA) has amended the Rule 3 of Companies (Accounts) rules, 2014 by way of notification dated 31st March, 2022. Accordingly requirement to have accounting software with a feature of recording audit trail is extended till 1st April, 2023. Therefore, nothing is required to be reported under this para for the year under review.

**Annexure - A to the Independent Auditor's Report
RE: Adani Tracks Management Services Limited**

(Referred to in Paragraph 1 of our Report of even date)

The Annexure referred to in our Independent Auditor's Report to the members of the Company on the Standalone Financial Statements for the year ended 31st March, 2023, we report that:

- (i) a) In our opinion and according to the information and explanation given to us and the records produced to us for our verification, the company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- b) In our opinion and according to the information and explanation given to us and the records produced to us for our verification the company has maintained proper records showing full particulars of intangible assets (including Right of Use Assets).
- c) In our opinion and according to the information and explanation given to us and the records produced to us for our verification, the Company has a regular programme of physical verification of its Property, Plant and Equipment's by which all Property, Plant and Equipments are verified by the management in a phased manner. In accordance with this programme, certain Property, Plant and Equipment were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- d) In our opinion and according to the information and explanation given to us and the records produced to us for our verification, there are no immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) held by the company.
- e) According to the information and explanation given to us and the records produced to us for our verification, the company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, the provision of paragraph 3(i)(e) of the Order are not applicable.
- f) According to the information and explanation given to us and the records produced to us for our verification, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) a) According to the information and explanation given to us and the records produced to us for our verification, the Company has a regular programme of physical verification of its inventory (Stores and Spares). In our opinion, the coverage and procedure of verification by management is appropriate. The discrepancies noticed on verification between the physical stock and the book records were not material and have been appropriately dealt with in the books of accounts.
- b) According to the information and explanation given to us and the records produced to us for our verification, the company has not taken any working capital limits in excess of five crore rupees from Bank or financial institution. Accordingly the provisions of paragraph 3 (ii) (b) of the Order are not applicable.

Annexure - A to the Independent Auditor's Report

RE: Adani Tracks Management Services Limited

(Referred to in Paragraph 1 of our Report of even date)

- (iii) In our Opinion and according to the information and explanation given to us and the records produced to us for our verification the company has not granted any loan or made any investment or provided any guarantee or security to companies, firms, Limited Liability Partnership or any other party. Accordingly, the provision of paragraph 3(iii)(a) to 3(iii)(f) of the Order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, given any guarantees or provided any securities to the parties covered under Section 185 of the Act. Accordingly, compliance under Section 185 of the Act is not applicable to the Company. According to the information and explanations given to us, the Company is engaged in the business of providing infrastructural facilities and accordingly the provisions of Section 186 (except subsection (1) of Section 186) of the Act are not applicable to the Company. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 (1) of the Act in respect of loans given.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under section 148(1) of the Companies Act, 2013 in respect of the company's products/ services to which the said rules are made applicable and are of the opinion that prima facie the prescribed cost records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including income tax, Goods and Service Tax, provident fund and other material statutory dues have generally been deposited regularly during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance, duty of customs and duty of excise.

According to the information and explanations given to us, no undisputed amounts payable in respect of statutory dues as referred above were in arrears as at 31st March, 2023 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no statutory dues as referred in sub clause(a) as at 31st March 2023, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not surrendered or disclosed any transactions as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, the provisions of clause 3(viii) of the Order are not applicable to the Company.

Annexure - A to the Independent Auditor's Report
RE: Adani Tracks Management Services Limited

(Referred to in Paragraph 1 of our Report of even date)

- (ix) a) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender. However Interest payable on loan from Related Party has been converted and added to the loan balance as per the terms of the agreement.
- b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority or any other lender.
- c) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised term loans during the year.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions of clause 3(x)(a) of the Order are not applicable to the Company
- b) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not made any preferential allotment or private placement or not issued any fully or partly convertible debenture during the year under review. Accordingly, the provisions of paragraph 3(x)(b) of the Order are not applicable.
- (xi) a) During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practice in India, and according to the information and explanation given to us, we have neither come across any instance of fraud by the company or on the company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.
- b) No report on any matter under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.

Annexure - A to the Independent Auditor's Report
RE: Adani Tracks Management Services Limited

(Referred to in Paragraph 1 of our Report of even date)

- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, the provisions of Clauses 3 (xii) (a) to (c) of the Order are not applicable.
- (xiii) As per information and explanation given to us and on the basis of our examination of the records of the Company, all the transaction with related parties are in compliance with section 177 and 188 of Companies Act 2013, wherever applicable, and all the details have been disclosed in Standalone Financial Statements as required by the applicable Indian Accounting Standards.
- (xiv) a) According to the information and explanations given to us and on the basis of our examination of the records, we are of the opinion that the company has an internal audit system commensurate with the size and nature of its business.
b) We have considered the internal audit reports of the company issued till date, for the year under audit.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions, within the meaning of Section 192 of the Act, with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable to the Company.
b) According to the information and explanations given to us and based on our examination of the records of the Company the company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
c) In our opinion and according to the information and explanations given to us, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the provisions of paragraph 3(xvi) (c) & (d) of the Order is not applicable to the Company.
- (xvii) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not incurred any cash losses during the current financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period one year from the balance sheet date, will get discharged by the company as and when they fall due.

RE: Adani Tracks Management Services Limited

(Referred to in Paragraph 2(f) of our Report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act 2013 (the act).

We have audited the internal financial controls over financial reporting of **Adani Tracks Management Services Limited** (“the Company”) as of 31st March, 2023 in conjunction with our audit of the Standalone Financial Statements of the company for the year ended on that date.

Management’s Responsibilities for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Annexure – B to the Independent Auditor’s Report

RE: Adani Tracks Management Services Limited

(Referred to in Paragraph 2(f) of our Report of even date)

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

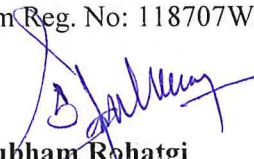

Opinion

In our opinion the company has, in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

1 Corporate Information

Adani Tracks Management Services Limited (Formerly known as Sarguja Rail Corridor Private Limited) (ATMSL) is a Company incorporated under the Companies Act, 1956.

Various coal blocks in Hasdeo-Arand coal-fields viz. Parsa East, Kanta Basan, Parsa, Gidhmuri Pathuria, Kente Extension etc are devoid of Railway Infrastructure. ATMSL is undertaking development, construction, operation and maintenance of North Railway Corridor to cater to transportation of coal from these coal blocks of Hasdeo-Arand coal-fields to the nearest railway siding of Indian Railway i.e. Surajpur Station.

A Composite Scheme of Arrangement was filed by Sarguja Rail Corridor Private Limited ("the Company") and Brahmi Tracks Management Services Private Limited ("Brahmi") and Adani Tracks Management Services Private Limited ("Adani Tracks") and Adani Ports and Special Economic Zone Limited ("Adani Ports") and the respective shareholders and creditors (the 'Scheme') under Section 230 to 232 and other applicable provisions of the Companies Act, 2013 and the Rules framed thereunder ("the Act").

Hon'ble National Company Law Tribunal, Ahmedabad Bench has approved the Scheme vide order dated January 27, 2022.

Pursuant to the Scheme, Adani Tracks Management Services Private Limited got merged into Sarguja Rail Corridor Private Limited. Further, Mundra Rail Business ("Divestment Business Undertaking") of the Adani Ports was transferred on slump sale basis to Adani Tracks Management Services Private Limited (formerly known as Sarguja Rail Corridor Private Limited) with appointed date of April 02, 2021 and name of Sarguja Rail Corridor Private Limited has changed to Adani Tracks Management Services Private Limited with effect from 01st April 2022.

2 Significant Accounting Policies

I Basis of preparation

a) Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

These financial statements have been prepared and presented under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

The financial statements are presented in INR except when otherwise stated. All amounts have been rounded-off to the nearest Lacs, unless otherwise indicated and amounts less than Rs. 500/- have been presented as "0.00". The company has prepared the financial statement on the basis it will continue to operate as a going concern.

b) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make certain estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities (including contingent liabilities) and the accompanying disclosures. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and the estimates are recognised in the periods in which the results are known / materialized. Estimates and underlying assumptions are reviewed on an ongoing basis.

Significant Estimates and assumptions are required in particular for:

i) Useful life of property, plant and equipments and intangible assets:

Determination of the estimated useful life of property, plant and equipments and intangible assets and the assessment as to which components of the cost may be capitalized. Useful life of these assets is based on the life prescribed in Schedule II to the Companies Act, 2013 or based on technical estimates, taking into account the nature of the asset, estimated usage, expected residual values and operating conditions of the asset.

ii) Recognition of deferred tax assets:

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. The management assumes that taxable profits will be available while recognising deferred tax assets.

iii) Determination of lease term & discount rate :

Ind AS 116 Leases requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

iv) Recognition and measurement of other provisions :

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the figure included in other provisions.

v) Defined benefit plans (Gratuity benefits) :

The obligation arising from the defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and life expectancy.

c) Current & Non-Current Classification :

Any asset or liability is classified as current if it satisfies any of the following conditions:

- (i) The asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- (ii) The asset is intended for sale or consumption;
- (iii) The asset/liability is held primarily for the purpose of trading;
- (iv) The asset/liability is expected to be realized/settled within twelve months after the reporting period;
- (v) The asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- (vi) In the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

II Summary of Significant Accounting Policies

a) Cash And Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

b) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

The specific recognition criteria from various stream of revenue is described below:

(i) Rendering of Services

Revenue from services rendered is recognised as per terms of the agreements, as and when work is performed.

(ii) Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(iii) Profit or Loss on Sale of Investment

Profit or Loss on sale of investment is recognised on the contract date.

Contract Assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. The same is disclosed as "Unbilled Revenue" under Other Current Financial Assets.

Trade Receivable

A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due.

Contract Liability

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognised as revenue when the Company performs under the contract. The same is disclosed as "Advance from Customers" under Other Current Liabilities.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

c) Property, Plant & Equipments

Recognition and Measurement

Property, Plant and Equipments, including Capital Work in Progress, are stated at cost of acquisition or construction less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price (net of tax credits, wherever applicable), import duty and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent Measurement

Subsequent expenditure related to an item of Property, Plant and Equipment are included in its carrying amount or recognised as a separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Subsequent costs are depreciated over the residual life of the respective assets. All other expenses on existing Property, Plant and Equipments, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Capital Work in Progress

Expenditure related to and incurred during implementation of capital projects to get the assets ready for intended use is included under "Capital Work in Progress". The same is allocated to the respective items of property plant and equipment on completion of construction/ erection of the capital project/ property plant and equipment. The cost of asset not put to use before the year and capital inventory are disclosed under Capital work in progress.

Depreciation

Depreciation is provided using straight-line method as specified in Schedule II to the Companies Act, 2013. Depreciation on assets acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognised in Statement of Profit and Loss.

d) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses. The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Intangible assets are amortized on straight line basis over their estimated useful lives as follows:

Intangible Assets	Estimated Useful Life (Years)
Software	5 Years based on management estimate

e) Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognized immediately in the Statement of Profit and Loss. Financial assets and financial liabilities are offset when the Company has a legally enforceable right (not contingent on future events) to off-set the recognized amounts either to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

a) Financial assets

Initial recognition and measurement

All regular way purchases or sales of financial assets are recognized and derecognised on a trade date basis i.e. the date that the Company commits to purchase or sell the assets. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within a timeframe established by regulation or convention in the market place.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified based on assessment of business model in which they are held. This assessment is done for portfolio of the financial assets. The relevant categories are as below:

i) At amortised cost

Financial assets that meet the following conditions are subsequently measured at amortised cost using effective interest method (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

The effective interest method is a method of calculating the amortised cost of financial assets and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and transaction costs and other premiums or discounts) through the expected life of the financial assets, or where appropriate, a shorter period, to the net carrying amount on initial recognition. Interest is recognized on an effective interest basis for debt instruments other than those financial assets classified as at Fair Value through Profit and Loss (FVTPL).

ii) At fair value through Other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and

iii) At fair value through profit and loss (FVTPL)

Financial assets which are not measured at amortised cost or FVTOCI and are held for trading are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any dividend or interest earned on the financial asset.

Derecognition of Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and Loss on disposal of that financial asset.

Impairment of Financial Assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset. Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. The Company estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument. The Company assesses at each Balance sheet date whether a financial asset or a Group of financial assets is impaired. Ind AS 109, 'Financial Instruments' requires expected credit losses to be measured through a loss allowance. The Company recognizes credit loss allowance using the lifetime expected credit loss model for trade receivables.

b) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings, including intercorporate deposits, bank overdrafts / cash credit.

Subsequent measurement

All financial liabilities are measured at amortised cost using the effective interest method or at FVTPL.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

(i) Financial liabilities at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in the Statement of Profit and Loss. The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition. Trade and other payables are recognized at the transaction cost, which is its fair value, and subsequently measured at amortised cost.

(ii) Financial liabilities at FVTPL

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if these are incurred for the purpose of repurchasing in the near term. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in profit or loss.

Derecognition of Financial Liability

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognized in the Statement of Profit and Loss.

f) Employee Benefits

Employee benefits includes salary, wages, gratuity, compensated absences and contribution to provident fund.

i) Short Term Employees Benefits

A liability is recognised for benefits accruing to employees in respect of salaries and wages at the undiscounted amount of the benefits expected to be paid wholly within twelve months of rendering the service.

ii) Post Employment Benefits

Defined Contribution Plans

Retirement benefits in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

Defined Benefit Plans

The Company operates a defined benefit gratuity plan. The cost of providing benefits under the defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary, using the projected unit credit method.

Re-measurements comprising of actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss in the line item "Employee Benefits Expense":

- > Service cost including current service cost, past service cost, gains and losses on curtailments and non-routine settlements; and
- > Net interest expense or income

For the purpose of presentation of defined benefit plans, the allocation between short term and long term provisions has been made as determined by an actuary.

iii) Other Long Term Employee Benefits

Other long term employee benefits comprise of compensated absences/leaves. The Company allocates accumulated leaves between short term and long term liability based on actuarial valuation as at the end of the period. The actuarial valuation is done as per projected unit credit method.

iv) For the purpose of presentation of defined benefit plans and other long term benefits, the allocation between current and non-current provisions has been made as determined by an actuary.

g) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

h) Segment Accounting

In accordance with Companies (Indian Accounting Standard) Rules, 2015 (as amended), the company has determined its business segment as Railway Transport Services. Since, there are no other business segments in which the company operates, there are no other primary reportable segments. Further since the company's services are limited to the operation of allocated mine, it operates in a single geographical segment. Therefore, the segment revenue, results, segment assets, segment liabilities, total cost incurred to acquire segment assets, depreciation charge are all as reflected in the financial statements.

i) Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease payments have been classified as financing activities in Statement of Cash Flow.

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

j) Earnings Per Share

The Basic EPS has been computed by dividing the income available to equity shareholders by the weighted average number of equity shares outstanding during the accounting year. The Diluted EPS has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the end of the year.

k) Income Taxes

Tax expense comprises of current income tax and deferred tax.

i) Current Taxation

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income.

Current tax items, relating to items recognised outside the statement of profit and loss, are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Provision for current tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemption in accordance with the Income Tax Act, 1961.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

Current tax assets and liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

ii) Deferred Taxation

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent it is probable that these assets can be realised in future.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax assets and liabilities are offset where a legally enforceable right exists to offset current tax assets and liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax includes MAT tax credit. The Company reviews such tax credit asset at each reporting date to assess its recoverability.

l) Inventories

i) Inventories are valued at lower of cost or net realisable value.

ii) Cost of inventories have been computed to include all costs of purchases, cost of conversion, all non-refundable duties & taxes and other costs incurred in bringing the inventories to their present location and condition.

iii) The basis of determining cost for various categories of inventories are as follows:

Stores and Spares

Weighted Average Cost

iv) Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated cost necessary to make the sale. Necessary adjustment for shortage / excess stock is given based on the available evidence and past experience of the Company.

m) Impairment of Non-Financial Asset

The carrying amount of assets is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets recoverable amount is estimated.

The impairment loss is recognised whenever the carrying amount of an asset or its cash generation unit exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in the use which is determined based on the estimated future cash flow discounted to their present values. All impairment losses are recognised in the Statement of Profit and Loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount and is recognised in the Statement of Profit and Loss.

n) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is possible that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes. Contingent assets are not recognised in the financial statements. The nature of such assets and an estimate of its financial effect are disclosed in notes to the Financial Statements.

Note :

a) Retained Earnings

The portion of profits not distributed among the shareholders are termed as retained earnings. The Company may utilize the retained earnings for making investments for future growth and expansion plans, for the purpose of generating higher returns for the shareholders or for any other specified purpose.

b) Capital Reserve

The capital reserve was created as per Composite Scheme of Arrangement among Sarguja Rail Corridor Private Limited and Brahmi Tracks Management Services Private Limited and Adani Tracks Management Services Private Limited and Adani Ports and Special Economic Zone Limited and the respective shareholders and creditors under Section 230 to 232 and other applicable provisions of the Companies Act, 2013 and the Rules framed thereunder approved by National Company Law Tribunal ("NCLT") Bench at Ahmedabad vide its order dated 27th January, 2022. Hence, the same is not considered as a free reserve for the purpose of distribution of dividends.

c) Securities Premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

32 Financial Instruments And Risk Review

a. Fair Value Measurement and Hierarchy

Financial Assets and Liabilities :

The Company's principal financial liabilities comprise borrowings, provisions, trade payables, retentions, capital creditors, deposits. The main purpose of these financial liabilities is to finance the Company's operations/projects. The Company's principal financial assets include trade receivables, cash and cash equivalents, unbilled receivable and deposits.

Fair Value Hierarchy :

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level-1 : Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level-2 : Inputs are other than quoted prices included within Level-1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level-3 : Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on the assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following tables summarises carrying amounts of financial instruments of continuing operations by their categories and their levels in fair value hierarchy for each year end presented.

As at 31-Mar-2023

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

Carrying amounts of current financial assets and liabilities as at the end of the each year presented approximate the fair value because of their short term nature. Difference between carrying amounts and fair values of other non-current financial assets and liabilities subsequently measured at amortised cost is not significant in each of the year presented.

b. Financial Risk Management Objective and Policies

The Company's principal financial liabilities comprise borrowings, provisions, trade payables, retentions, capital creditors, deposits. The main purpose of these financial liabilities is to finance the Company's operations/projects. The Company's principal financial assets include trade receivables, cash and cash equivalents, unbilled receivable and deposits. In the ordinary course of business, the Company is mainly exposed to risks resulting from interest rate risk, credit risk and liquidity risk.

i) Interest risk

The Company is exposed to changes in interest rates due to its financing, investing and cash management activities. The risks arising from interest rate movements arise from borrowings with variable interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

The Companies risk management activities are subject to the management, direction and control of Central Treasury Team of the Adani Group under the framework of Risk Management Policy for interest rate risk. The Group's central treasury team ensures appropriate financial risk governance framework for the Company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

The risks arising from interest rate movements arise from borrowings with variable interest rates. However as on 31st March 2023 company does not have any borrowing which is at variable interest rate. Hence company doesn't have any interest rate risk.

ii) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a loss to the company. The company has adopted the policy of only dealing with creditworthy counter parties as a means of mitigating the risk of financial losses from default. The carrying amount of financial assets recorded in the financial statements represents the company's maximum exposure to credit risk. Cash are held with creditworthy financial institutions. The company maintains exposure in cash and cash equivalents, term deposits with bank. Credit limits and concentration of exposures are actively monitored by finance department of the company.

iii) Liquidity risk

The Company monitors its risk of shortage of funds using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations. The Company's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through the use of various types of borrowings. The company has an understanding with parent & other group entities to extend repayment terms of borrowings, if required.

iv) Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The company monitors capital using gearing ratio, which is net debt (borrowings as detailed in Note 16 & 19 less cash and bank balances) divided by total capital plus debt.

Particulars	(Rs. in Lacs)	
	As at 31-Mar-2023	As at 31-Mar-2022
Total Borrowings	38,676.74	165,775.88
Less: Cash and Bank Balances	63.55	538.64
Net Debt (A)	38,613.19	165,237.24
Total Equity (B)	119,011.33	90,612.72
Total Equity and Net Debt (C = A + B)	157,624.52	255,849.96
Gearing ratio	24.50%	64.58%

There have been no breaches in the financial covenants of any borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended 31st March, 2023 and 31st March, 2022.

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

- (iii) Provision for Compensated absences and Gratuity is provided in the books on the basis of actuarial valuation for the Company as a whole and hence individual figures cannot be identified.

36 Leases

The Company has lease contracts for land used in its operations. Leases of this item is generally have lease terms between 1 to 99 years. Generally, the Company is restricted from assigning and subleasing the leased assets.

The Ministry of Corporate Affairs ("MCA") through the Companies (Indian Accounting Standards) Amendment Rules, 2019 has notified Ind AS 116 Leases ('Ind AS 116') which replaces the existing lease standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for recognition, measurement, presentation and disclosure of leases for both lessees and lessors.

The Company has elected not to apply the requirements of Ind AS 116 to short term leases of all the assets that have a lease term of twelve months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight line basis over the lease term.

The weighted average incremental borrowing rate applied to lease liabilities is 11%.

Leases as lessee

ADANI TRACKS MANAGEMENT SERVICES LIMITED

(Formerly known as Sarguja Rail Corridor Private Limited)

Notes to Financial Statements for the year ended 31 March 2023

43 Code on Social Security

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

44 In the opinion of the management and to the best of their knowledge and belief, the value under the head of Current and Non-Current Assets (other than Fixed Assets and Non-Current Investments) are approximately of the value stated, if realised in ordinary course of business, except unless stated otherwise. The provision for all the known liabilities is adequate and not in excess of amount considered reasonably necessary.

45 Events occurring after the Balance Sheet Date

The company has been converted from Private Limited company to Limited company vide Revised Certificate of Incorporation received dated 05th April, 2023.

46 Other Disclosures

- (a) The financial statements were approved for issue by the board of directors on 28th April, 2023.
- (b) During the quarter ended 31st March, 2023, a short seller report was published in which allegations were made involving Adani Group Companies. A writ petition was filed in the matter with the Hon'ble Supreme Court ("SC"), and the Securities and Exchange Board of India ("SEBI") has represented to the SC that it is investigating the allegations made in the short seller report for any violations of the SEBI Regulations. The SC vide its order dated 2nd March, 2023 has also constituted expert committee to investigate and advice into the various aspect of existing laws and regulations and also directed to the SEBI to consider certain additional aspects in its scope. The above-mentioned investigations are in progress as of date.

To uphold the principles of good governance, the Adani Group has undertaken review of transactions referred in the short seller's report through an independent assessment by a law firm and their opinion confirms that the Holding Company, Adani Ports and Special Economic Zone Limited, and its subsidiaries are in compliance with applicable laws and regulations. Based on the foregoing, the management of the Company is of the view that it is not likely to have any impact on the financial statements in this regard arising from the above matters.

- (c) Pursuant to Deed of Hypothecation dated 24th March, 2023 entered between the Company and IDBI Trusteeship Services Limited, as a Debenture Trustee, the Company's movable properties and assets including all plant and machinery, hardware, computer software, electronic spares, machinery spares, motor vehicles, cash in hand, all investments, inventories, trade receivable and Other General Assets are hypothecated in favour of Debenture Trustee for the benefit of Debenture Holder, against Non-Convertible Debenture of Rs. 1600 Cr. issued by Adani Ports and Special Economic Zone Limited, (100% Holding Company) to Debenture Holder.
