Subject: Mandatory Requirement of 2 Laser Range Finders (L.R.F) Onboard

Dear Sir,

In order to enhance navigational safety during berthing/ unberthing of vessels at Adani Vizhinjam Port Private Limited (AVPPL), we are introducing **mandatory requirement for usage of Laser Range Finders for vessels LOA exceeding 300 meters in length.**

All vessels with a length of 300 meters or more shall be equipped with a laser range finder (ready for use at fwd and aft stations) to ensure accurate distance measurements during berthing / unberthing operations.

If any vessels not equipped with a L.R.F, port will be providing L.R.F to vessel on chargeable basis. The Berthing pilot shall bring L.R.F onboard and will handover to vessel crew upon boarding, LRF shall be returned to Mooring supervisor / Pilot after berthing / unberthing.

Charges for use of Port provided LRF will be **USD 100 for each movement.**

For, Adani Vizhinjam Port Pvt Ltd.
